

Dear MATE Customers,

We are pleased to announce that we will be able to accommodate Segment attendees to our seminars this fall. The Segmented seminars will be taught as a Virtual Webinar, and the cost will be \$575 per segment. Each Segment will take approximately 2 days with some minor leeway at the end or beginning of each segment. A rough schedule is below:

August 30th DP-C all day
August 31st DP-C all day
September 1st DP-A all day (probably some DP-C in the morning)
September 2nd DP-A all day

September 7th FV-A all day
September 8th FV-A all day (probably some FV-C in the afternoon)
September 9th FV-C all day
September 10th FV-C all day

If you are sitting for the "Advanced" (DP-A & FV-A) exam and you wanted to attend the two separate segments we should be able to accommodate that as well.

You can reach out to us at mateseminars@hotmail.com for pricing and payment details and seminar registration.

Thank you for your interest and please let us know if you have any questions.

-Dustin Conrad
